

Willow Creek PTA is looking for Members

The Willow Creek PTA is an organization which consists of parents and teachers. Our organization raises money and provides volunteers for numerous school activities. The PTA provides funding for the following things throughout the school year:

- Educational Programs – grade level activities, assemblies, Red Ribbon Week
- Special Events – family nights, field day, 4th grade celebration
- School Improvement – artist in residence, fitness supplies
- Faculty Support – teacher grants, teacher allowances, teacher appreciation, birthday books
- Field Trips – provide a set amount of money to pay for transportation/portion of ticket costs

Last year the Willow Creek PTA was able to organize fundraisers which provided over \$27,000 to cover the expenses associated with the things listed above. Many thanks to the PTA members, teachers, parents, and students who participated in those fundraisers! With your help, we are hopeful that we will continue to provide all of these wonderful things! We encourage you to join our organization and also become involved. There are many ways for you to be involved. A membership form is below....we hope that you will become a member!
